

Job Description – Fitness & Dance Instructors

Flirty Girl Fitness is currently looking for qualified, experienced and enthusiastic female Fitness & Dance Instructors to join our amazing team!

Not your typical women's fitness studio...

Flirty Girl Fitness™ is a premiere women's lifestyle facility that is outrageously unique and entertaining to inspire women to get fit and feel fabulous. We make working out fresh and exciting by offering a broad range of feminine, but highly effective fitness classes, ranging from Pole Dancing , Chair Dancing and Hula Hoopla to Hot Body Boxing , Video Vixen and GI Jane - plus dozens more!

We inspire you...

Most workouts involve cumbersome weights and machines or long cardio classes that are a chore to get through. While these workouts can get you in shape, we find them so boring and repetitious that we just can't achieve consistency with our fitness routine. As a result, we don't reach our fitness goals or achieve the sexy bodies we desire.

If you want to be a part of our team of incredible instructors please forward your resume with short cover letter to info@flirtygirlfitness.com.
